**OMAHA POLLED
SHORTHORN SALE**

Friday
February 15, 1963

**AK-SAR-BEN
FIELD**

The annual Omaha Shorthorn and Polled Shorthorn Show and Sale is indeed grateful to Ak-Sar-Ben for the use of its excellent facilities this year and would like to take this opportunity to acquaint its exhibitors with this unique and world's largest civic organization.

Ak-Sar-Ben was founded in 1895. Its first undertaking was a mammoth parade which was so successful that Ak-Sar-Ben was established as a permanent public service organization. Today, the organization, a non-profit group founded solely for public service, receives its funds through memberships (\$10 annually, the same as in 1895) and its annual horse racing meeting.

* * *

What does Ak-Sar-Ben do with these funds? Here are some examples for 1961 alone!

- *336 scholarships for students, nurses, county extension agents, vocational agricultural instructors and school teachers.
- *Financial assistance for University of Nebraska, 4-H and FFA judging teams.
- *Student loan funds at Nebraska, Creighton and Omaha Universities.
- *Scholarships for firemen and policemen.
- *The world's largest 4-H beef show.
- *4-H leader training Institutes throughout Nebraska.
- *Special Premiums for 4-H, FFA and open classes at Nebraska County Fairs and \$41,235 worth of improvement grants.
- *\$13,500 to assist hospitals in their charity work.
- *School traffic safety signals in the amount of \$10,000.
- *Playground equipment totaling \$15,000 in 1961.
- *Seven Nebraska towns with life-saving equipment.

* * *

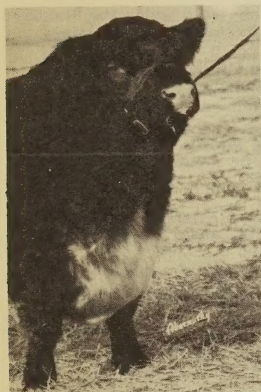

Ak-Sar-Ben member, for his \$10 annual dues, can be proud that he is helping Ak-Sar-Ben play a major role in the future of this entire region, and at the same time he receives a year-long ticket to the finest in entertainment. This year, for free, an Ak-Sar-Ben member and his lady will see five shows starring such greats as Xavier Cugat and Abbe Lane, Mamie Van Doren, Dennis Morgan, Helen Traubel and Jo Ann Castle. Also, reduced price tickets to Ringling Bros. and Barnum & Bailey Circus, the Omaha Charity Horse Show, Ice Follies of 1963, the Rodeo and Live Stock Show, Coronation and Ball and other outstanding events.

BROWDALE BANKER -- A solid, red bull, deep, short-legged and has a very good head. He was sired by Browndale Chief, an Omaha reserve champion, who also sired our 1961 Omaha grand champion bull and female. We have several calves from Browndale Banker and they are very good. The only reason we are selling him is that he is so closely related to many of our cattle that we feel we can hardly afford to keep such a good bull for such limited service. So far, he has been 100% dehorner. Since we have purchased the good bull, G F President 11th x from Gallatin Farms, we decided to sell Browndale Banker. We would like to retain semen interest.

FOUR DEES COUNT -- Sired by Browndale Count, the top bull in the Otto Johnson sale. A bull that would have made history if we had not lost him. One of his daughters was in our show herd the last two years. This bull has a lot of natural thickness and scale. He is the same type of bull as Circle-view Wonder, our last year's champion. His dam is a beautiful cow who traces to Edellyn Royal Leader 2d on both sides of her pedigree. If you need thickness in your cattle, this bull will put it there.

FOUR DEES GRENADIER -- Another son of the famous Four Dees Command 50th. His dam, imported Fairy Rothes, is the dam of one of the good cows in the Boll Weevil herd in Georgia and one of her daughters could be the best cow here at Four Dees Farms. If we did not have his brother, Four Dees Good News, we would keep this bull as he could be the best son of Four Dees Command 50th. He is dark red, good-headed, heavy-boned and has a lot of size. He could be the best bull we have ever sold.

From The Sale Manager --

Once again, we would like to point to the broad selection of top Shorthorn and Polled Shorthorn Bulls selling at Omaha on February 14th and 15th. Here at Omaha, you will find not just the tops from one state, but the very best from nine states. No place else in America can you match this great buying opportunity.

Cattlemen all over America look to these annual Omaha events for sound breeding cattle and it is surely the Crossroads of America's Modern Beef Industry.

We sincerely appreciate Ak-Sar-Ben's cooperation in making their modern facilities available for these two outstanding livestock events.

The future looks good for the beef business and there is no better way for any breeder, purebred or commercial, to make his cow herd more profitable than to buy a better bull. As always, Omaha is the place to do it again this year.

MERVIN F. AEGERTER, Sale Manager

STANDARD GUARANTEE OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

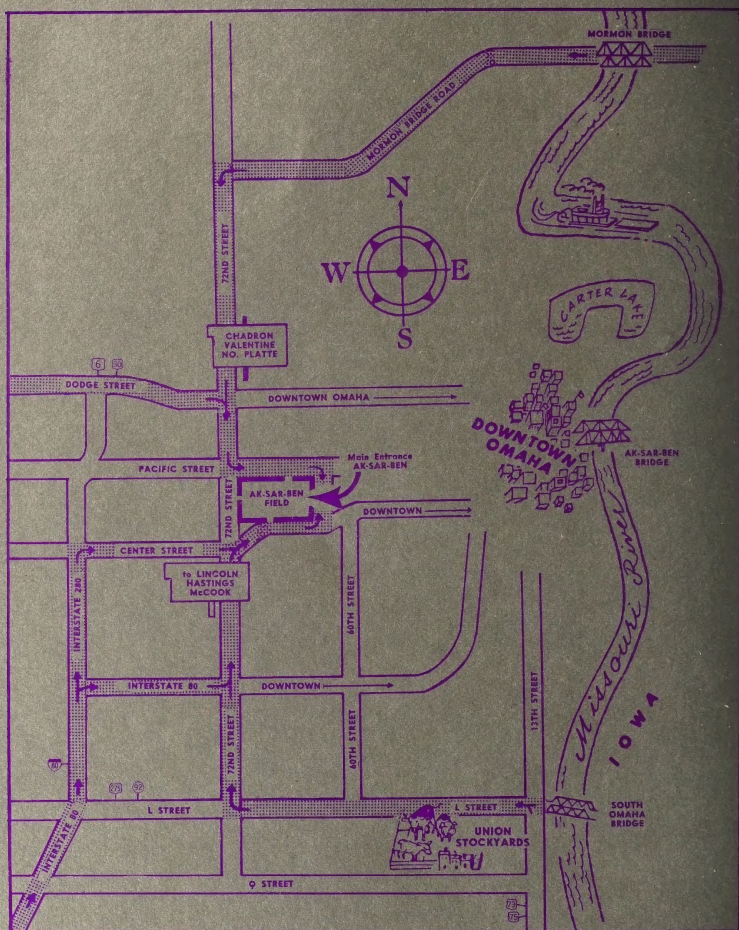

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calftlood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
